Each of the four "B's" stands for something that's important here at Longhorn Harley-Davidson.

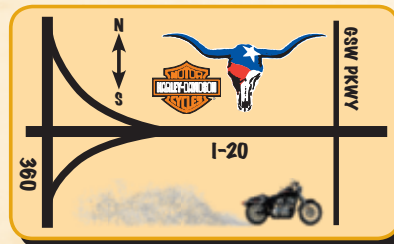

BIKES – That's at the core. Motorcycles are what bring us all together. It's the fabric that we're all made from.

BANDS – We love music. You'll never come in and find this place quiet, so we've lined up four bands to rock us until 9 pm! The Texas Cartel, Drew Davis Band, Jackson Taylor Band and The Bleu Edmonson Band.

BARBECUE – It's an art, a Texas tradition, and it tastes good. We're serving up barbecue from Angelo's BBQ from 11-2.

BEER – It's only a complement to the other three. Beer will be served from 11 until we run out!

We're adding an unofficial 5th "B" – and that one is for B.A.C.A., Bikers Against Child Abuse. They're a great group of folks that work with government agencies to help abused kids. Whether it's physical protection, financial help with counseling, emotional support, anything the kids need to overcome the physical and emotional scars of abuse.
